Comprehensive Nuclear-Test-Ban Treaty

The General Assembly,

Reiterating that the cessation of nuclear-weapon test explosions or any other nuclear explosions constitutes an effective nuclear disarmament and non-proliferation measure, and convinced that this is a meaningful step in the realization of a systematic process to achieve nuclear disarmament,

Recalling that the Comprehensive Nuclear-Test-Ban Treaty, adopted by its resolution 50/245 of 10 September 1996, was opened for signature on 24 September 1996,

Stressing that a universal and effectively verifiable Comprehensive Nuclear-Test-Ban Treaty constitutes a fundamental instrument in the field of nuclear disarmament and non-proliferation and that after ten years, its entry into force is more urgent than ever before,

Encouraged by the signing of the Treaty by one hundred and seventy-six States, including forty-one of the forty-four needed for its entry into force, and welcoming the ratification of one hundred and twenty-five States, including thirty-four of the forty-four needed for its entry into force, among which there are three nuclear-weapon States,
Recalling its resolution 60/95 of 8 December 2005,

Welcoming the Final Declaration of the fourth Conference on Facilitating the Entry into Force of the Comprehensive Nuclear-Test-Ban Treaty, held in New York from 21 to 23 September 2005,\(^1\) pursuant to article XIV of the Treaty, and the Ministerial Meeting of States Parties held in New York on 20 September 2006,

1. Stressing the vital importance and urgency of signature and ratification, without delay and without conditions, to achieve the earliest entry into force of the Comprehensive Nuclear-Test-Ban Treaty;

2. Welcomes the contributions by the States signatories to the work of the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, in particular its efforts to ensure that the Treaty's verification regime will be capable of meeting the verification requirements of the Treaty upon its entry into force, in accordance with article IV of the Treaty;

3. Underlines the need to maintain momentum towards completion of the verification regime;

4. Urges all States to maintain their moratoriums on nuclear-weapon test explosions or any other nuclear explosions and to refrain from acts that would defeat the object and purpose of the Treaty, while stressing that these measures do not have the same permanent and legally binding effect as the entry into force of the Treaty;

5. Condemns the nuclear test proclaimed by the Democratic People's Republic of Korea on 9 October 2006, and demands that the Democratic People's Republic of Korea not conduct any further nuclear tests;

6. Urges all States that have not yet signed the Treaty to sign and ratify it as soon as possible;

7. Urges all States that have signed but not yet ratified the Treaty, in particular those whose ratification is needed for its entry into force, to accelerate their ratification processes with a view to ensuring their earliest successful conclusion;

8. Urges all States to remain seized of the issue at the highest political level and, where in a position to do so, to promote adherence to the Treaty through bilateral and joint outreach, seminars and other means;

9. Requests the Secretary-General, in consultation with the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization, to prepare a report on the efforts of States that have ratified the Treaty towards its universalization and possibilities for providing assistance on ratification procedures to States that so request it, and to submit such a report to the General Assembly at its sixty-second session;

10. Decides to include in the provisional agenda of its sixty-second session the item entitled "Comprehensive Nuclear-Test-Ban Treaty".
