Sixty-fifth session  
**First Committee**  
Agenda item 97 (l)  
**General and complete disarmament: treaty banning**  
the production of fissile material for nuclear weapons  
or other nuclear explosive devices  

**Canada: draft resolution**  

**Treaty banning the production of fissile material for nuclear weapons or other nuclear explosive devices**

*The General Assembly,*

Convinced that a non-discriminatory, multilateral and internationally and effectively verifiable treaty banning the production of fissile material for nuclear weapons or other nuclear explosive devices would be a significant contribution to nuclear disarmament and non-proliferation,

Welcoming, after years of stalemate, the consensus adoption by the Conference on Disarmament of its decision (CD/1864) of 29 May 2009 on the establishment of a programme of work for its 2009 session, by which the Conference, inter alia, and without prejudice to any past, present or future position, established a Working Group to negotiate a treaty banning the production of fissile material for nuclear weapons or other nuclear explosive devices on the basis of document CD/1299 of 24 March 1995 and the mandate contained therein,

1. **Urges** the Conference on Disarmament to agree early in 2011 on a programme of work that includes the immediate commencement of negotiations on a treaty banning the production of fissile material for nuclear weapons or other nuclear explosive devices;
2. *Decides* to include in the provisional agenda of its sixty-sixth session an item entitled “Treaty banning the production of fissile material for nuclear weapons or other nuclear explosive devices”.
