Albania, Cambodia and Slovenia: draft resolution

Implementation of the Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-personnel Mines and on Their Destruction

The General Assembly,

Reaffirming its determination to put an end to the suffering and casualties caused by anti-personnel mines, which kill or injure thousands of people — women, girls, boys and men — every year, and which place people living in affected areas at risk and hinder the development of their communities,

Believing it necessary to do the utmost to contribute in an efficient and coordinated manner to facing the challenge of removing anti-personnel mines placed throughout the world and to assure their destruction,

Wishing to do the utmost in ensuring assistance for the care and rehabilitation, including the social and economic reintegration, of mine victims,

Noting with satisfaction the work undertaken to implement the Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-personnel Mines and on Their Destruction¹ and the substantial progress made towards addressing the global anti-personnel landmine problem,

Recalling also the Second Review Conference of the States Parties to the Convention, held in Cartagena, Colombia, from 30 November to 4 December 2009, 14 at which the international community reviewed the implementation of the Convention and the States parties adopted the Cartagena Declaration 15 and the Cartagena Action Plan 2010-2014 16 to support enhanced implementation and promotion of the Convention,

Noting with satisfaction that additional States have ratified or acceded to the Convention, bringing the total number of States that have formally accepted the obligations of the Convention to one hundred and sixty,

Emphasizing the desirability of attracting the adherence of all States to the Convention, and determined to work strenuously towards the promotion of its universalization and norms,

Noting with regret that anti-personnel mines continue to be used in some conflicts around the world, causing human suffering and impeding post-conflict development,

1. Invites all States that have not signed the Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-personnel Mines and on Their Destruction 1 to accede to it without delay;

2. Urges all States that have signed but have not ratified the Convention to ratify it without delay;

3. Stresses the importance of the full and effective implementation of and compliance with the Convention, including through the continued implementation of the Cartagena Action Plan 2010-2014; 16

4. Urges all States parties to provide the Secretary-General with complete and timely information as required under article 7 of the Convention in order to promote transparency and compliance with the Convention;
