2013, 69/34 of 2 December 2014 and 70/55 of 7 December 2015,

Reaffirming its determination to put an end to the suffering and casualties
caused by anti-personnel mines, which kill or injure thousands of people —
women, girls, boys and men — every year, and which place people living in
affected areas at risk and hinder the development of their communities,

Believing it necessary to do the utmost to contribute in an efficient and
coordinated manner to facing the challenge of removing anti-personnel mines
placed throughout the world and to assure their destruction,

Wishing to do the utmost to ensure assistance for the care and
rehabilitation, including the social and economic reintegration, of mine victims,

Noting with satisfaction the work undertaken to implement the Convention
on the Prohibition of the Use, Stockpiling, Production and Transfer of
Anti-Personnel Mines and on Their Destruction\(^1\) and the substantial progress
made towards addressing the global anti-personnel landmine problem,

Recalling also that, at the Third Review Conference of the States Parties to the Convention, the international community reviewed the implementation of the Convention and the States parties adopted a declaration and an action plan for the period 2014-2019 to support enhanced implementation and promotion of the Convention,

Noting with satisfaction that 162 States have ratified or acceded to the Convention and have formally accepted the obligations of the Convention,

Emphasizing the desirability of attracting the adherence of all States to the Convention, and determined to work strenuously towards the promotion of its universalization and norms,

Noting with regret that anti-personnel mines continue to be used in some conflicts around the world, causing human suffering and impeding post-conflict development,

1. Invites all States that have not signed the Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and on Their Destruction to accede to it without delay;
2. Urges the one remaining State that has signed but has not ratified the Convention to ratify it without delay;
3. Stresses the importance of the full and effective implementation of and compliance with the Convention, including through the continued implementation of the action plan for the period 2014-2019;
4. Urges all States parties to provide the Secretary-General with complete and timely information as required under article 7 of the Convention in order to promote transparency and compliance with the Convention;
5. Invites all States that have not ratified the Convention or acceded to it to provide, on a voluntary basis, information to make global mine action efforts more effective;
6. Renews its call upon all States and other relevant parties to work together to promote, support and advance the care, rehabilitation and social and economic reintegration of mine victims, mine risk education programmes and the removal and destruction of anti-personnel mines placed or stockpiled throughout the world;
7. Urges all States to remain seized of the issue at the highest political level and, where in a position to do so, to promote adherence to the Convention through bilateral, subregional, regional and multilateral contacts, outreach, seminars and other means;
8. Reiterates its invitation and encouragement to all interested States, the United Nations, other relevant international organizations or institutions, regional organizations, the International Committee of the Red Cross and relevant non-governmental organizations to attend the Fifteenth Meeting of the
States Parties to the Convention, to be held in Santiago during the week of 28 November to 2 December 2016, and to participate in the future programme of meetings of the States parties to the Convention;

9. Requests the Secretary-General, in accordance with article 11, paragraph 1, of the Convention, to undertake the preparations necessary to convene the Sixteenth Meeting of the States Parties to the Convention and, on behalf of the States parties and in accordance with article 11, paragraph 4, of the Convention, to invite States not parties to the Convention, as well as the United Nations, other relevant international organizations or institutions, regional organizations, the International Committee of the Red Cross and relevant non-governmental organizations, to attend the Sixteenth Meeting of the States Parties as observers;
